

N656011 QUADRA Climbing Frame

AGE: 24+ months

CONTENTS: 1 item

PRODUCT DESCRIPTION:

The QUADRA Climbing Frame can be transformed into a number of different climbing constructions. It is perfect for both indoor or outdoor use. The House open size is 89 x 74 x 77 cm (L x W x H).

The Climbing Frame is made from solid FSC certified Pine wood and designed to be sturdy and safe. It has rounded smooth edges and is certified formaldehyde-free. Using a cloth you can convert the frame into a Play Tent.

The various climbing constructions can be used to train physical fitness, improve balance skills and aids hand-foot coordination during climbing activities.

It can be used on its own or as part of a larger obstacle course. The Climbing Frame is tested to hold up to 70kg.

The QUADRA Climbing Frame can be assembled in just a few minutes. An instruction manual and an allen key are included.

LEARNING VALUES:

Ideal for developing manipulation skills, dexterity, touching and gripping.

Encourages co-operation, interaction and communication.

Improves physical fitness as well as balance and co-ordination skills.
